Editor's letter

Blimey, what a month this has been! I seem to have been up to my neck in norks, bombarded with bums and surrounded by snatch more or less every hour of the waking day, but somehow or other I've managed to scrape through it all in one piece, only to see that by some sort of miracle we've put together another issue! Well, it's always nice when a plan comes together like that, and now, sitting at my desk having a much needed rest, I can reflect on the sort of mag we've got for you. Hmm, and pretty stonking it looks too! Roxanne always gives me a special thrill whenever I see her in the nip, but she's in fine company this month, so frankly you can take your pick. Enjoy!

Spunk Mail

When she's not playing with her funbags, Michelle loves nothing more than rummaging through our mail bags…

Dear Michelle,

Pretty well every month you guys manage to pull out a girl who simply blows me away, but I've never felt the urge to put pen to paper before now. The reason for my decision to write in after nearly 10 years of getting *Men Only*? Sabrina, your opening babe from the latest issue (77.04)! I've always loved redheads, but there's so much more to this girl than the colour of her hair; first off there's her innocent yet sexually aggressive expressions, then there's her fulsome boobs, and finally there's one of the most enticing looking pussies I've seen in ages. That picture of her on page 7 is just about perfection – tweaking a nipple with one hand whilst holding those delicate labia open with the other. That's the sort of thing that keeps me coming back to *Men Only* month in and month out!

Please, let's have more sets of Sabrina – and girls like her – again before long, and also, while I'm here, I'd like to know when we're going to be seeing you back in the magazine, Michelle. You can't keep us waiting too much longer, you know!

Terry, Stratford.

Michelle says: Sabrina certainly floated my boat as well, so we'll be doing all we can to get her back again as son as possible! As for me, well I've just shot another couple of sets, so you should see me back in Men Only in all my glory before the summer! I'll have to pester the Ed a bit…

TUNE IN AND TURN ON!

Dear Michelle,

I'm all for more blonde Brit babes in the magazine, so I was chuffed to see the pictures of the fabulously leggy Danielle Maye in your last issue! This girl's more or less the perfect package as far as I'm concerned – especially when she's wearing such a fabulous blue basque. Stunning girl, lovely rude shots, classy lingerie – it doesn't get any better than that! I can't be the only one out hear sneakily hoping to see a two girl set with you and Danielle together, can I? I reckon the sight of seeing two of this country's finest glamour babes lezzing it up would be one that your readers would love to see!

Bob, Newcastle.

Mmm, I don't care what the rest of the readers think – I'd love to shoot a set with Danielle, whether it ever gets published or not. I think she's got one of the loveliest pussies out there, and I'd love to find out whether it tastes as good as it looks!

MAYE OUI!

> "She licked her lips as she started pumping me with her fingers…"

Dear Michelle,

I'm basically straight, but while I was in college, I slept with a few women. It wasn't something I did that often but, even after two years without lesbian sex, I still knew when a woman was coming on to me.

I'd been out clubbing in a lipstick-red micro-minidress – I actually saw one bloke walk into a door because he'd been too busy staring at me to watch where he was going! Anyway, you get the idea of how I looked in it.

At about 2am, I was in the loo, touching up my lippie, when this girl came up and started talking to me. She introduced herself as Chrissie. I could tell she fancied me and she wasn't bad herself – green eyes, chestnut-brown hair. She was holding a bottle of champagne, and I asked her for a swig. I held it in my mouth then moved in for a snog, sharing it with her. Our tongues met and I swallowed, sucking hers right into my mouth.

She still seemed a bit nervy, and said she wanted me to meet someone. I assumed she had a boyfriend who wanted a threesome – I was almost right, she had a girlfriend called Andrea who

Well can you think of a better way to kick off the latest issue of the nation's longest running top shelf magazine than with a beautifully-boobed babe making her debut? We certainly couldn't, which might just explain why we've done it.

Samantha's still finding her feet in the modelling business, having ducked out of the make-up and beauty side of things after watching a handful of shoots from the wings and realising she'd really like to give it a try herself. So what was it that tipped her over the edge and pushed her in front of the lense?

"Oh, it's easy – I just found the whole thing so incredibly horny and liberating at the same time!" she gushed. "It took me a while to get used to watching other girls stripping off and, well, playing with themselves, but once I did I found my pussy was becoming damper and damper each time, until in the end I just knew I had to try it myself!"

Here we are then – is it living up to your expectations?

"Oh God yes! The only thing is I'm so horny now I really just want someone to fuck me…"

Hmm, we're sure we can work something out!

Men Only TOY OF THE MONTH

LELO BO VIBRATING PENIS RING
Passion8.com
£37.99

There are hundreds of different cock rings on the market – knobbly ones, smooth ones, ones with vibrating bullets built in, disposable ones, scary looking gothic ones – but the Lelo Bo, whilst it might have a name reminiscent of some sort of wide-eyed Japanese cartoon character – is not your run of the mill cock ring. For starters it's a penis ring!
OK, so that might be a little semantic, but there's no getting away from the fact that the Lelo Bo is a cut above the rest. It's rechargeable, for starters, so no fiddling about with little batteries, and a 2 hour charge gives you two ours of vibrating cock – sorry, 'penis' – fun. It adjusts to fit any size knob and provides the duel purpose of keeping blood in the old chap to ensure a stronger and more impressive erection, and vibrating away to give both him and her a thoroughly scintillating sensation as they're shagging away. It even comes in a rather elegant gift box, which is more than you get with your average sex toy.

was up for some fun.

She was nearly six foot tall and had quite short cropped hair bleached blonde, but I wouldn't have called her butch. She had a really pretty face and wore bright red lipstick. She acted cool as she sized me up but I could tell she fancied me. She asked me did I want to share a cab home with them – I hadn't even told her where I lived.

In the taxi, with me sitting in the middle, the two of them were all over me. Andrea grabbed me for a snog, and Chrissie was stroking my thigh, working her way up higher. I couldn't wait until her hand reached my crotch – even my tiniest thong knickers spoiled the line of my dress, so I'd gone commando. My pussy was also freshly shaved. As Chrissie's fingers crept higher, I pulled away from Andrea, so I could watch Chrissie's reaction. I saw her eyebrows raise, and then she licked her lips as she started pumping me with her fingers.

Andrea was playing with my nipples, stroking them with the lightest touch. It felt like they were somehow connected to my clit – when Chrissie thumbed it, the sensations just exploded through it. Then she pulled her fingers out of my hole, taking a sniff and a little lick, before holding them up to Andrea's face for her to smell and taste me. Her lipstick was already a mess, and I saw more of it smear along Chrissie's fingers.

Almost immediately, the cab pulled up outside their place. Andrea said she'd sort the fare, and told Chrissie, "Get inside and warm her up." Maybe I should have been offended, but I sometimes can't help getting turned on by the 'sexual plaything' treatment!

> "Then Andrea walked into the room, stark naked except for a big strap-on."

Warming me up involved laying me on the bed, stripping me totally naked and giving my pussy the licking of its life. Chrissie used both hands to stretch my labia open, pulling them tight over my pubic bone. Then she used her mouth on my clit, sucking hard and mashing it with her tongue and lips until I was a total mess, squirming under her.

I wanted her to fuck me, to ram her fingers in and out of me, but she ignored me.

Then Andrea walked in the room, stark naked except for a big strap-on dildo. The straps were made of some clear plastic, and Andrea's bush – also bleached blonde – made it harder to see where it was attached. The crotch strap – hidden under a pair of real-looking balls – was pulled tight against her cunt and crack, although it had a hole cut out of it over her clit. Her bud was squeezed and forced out of it, all swollen up and ripe for sucking or rubbing.

They'd known what they were doing – I was gagging to take something – almost anything – up my cunt. I needed it if I was going to come. Chrissie changed position, swivelling herself round into a sixty-nine, while Andrea knelt in between my legs.

> "She used her mouth on my clit, sucking hard and mashing it with her tongue."

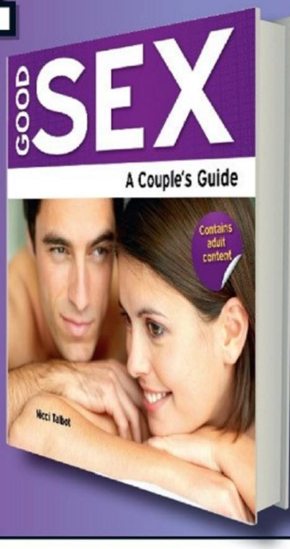
I wanted to see the dildo slip inside me, but I settled for feeling it instead, as Chrissie lowered herself onto my face. Although I hadn't sucked a fanny in ages, but it wasn't long before I got right back into it, jabbing my tongue in and out of Chrissie's clenching hole as Andrea reamed mine. Andrea was slamming in too hard and deep for Chrissie to lick me, so she frigged me instead, stretching my clit taut with the fingers on her left hand, while the ones on the right circled and teased it. I'd known I was close to coming, but when it hit me I almost passed out.

Chrissie gave herself one last rub against my face, then hauled herself up off it. I saw her pad out of the room as Andrea moved up to give me a post-fuck snog, the stiff dildo trailing against my leg and belly as she rubbed up against me. When I'd recovered, she whispered, "I want you to suck my cock…"

I took it slow, kissing my way down, but even when I gave her nipples some attention, she just pushed down on my head – hard enough for me to know she just wanted me to get a mouthful of dildo. It wasn't difficult to think of it as the real thing, and I was wanking the shaft as I opened my mouth wide to take the helmet.

I probably wouldn't have noticed Chrissie coming back in if she hadn't waggled another dildo

MY NOOKIE BOOK…



Good sex? Oh go on then, put me down for some of that! Let's face it, everyone wants good sex, don't they? There are already hundreds of books on the subject out there, but if you're just thinking of dipping your toe into the subject and want a basic overall grounding in the subject, this book (published by Need 2 Know for £9.99) is as good a place to start as any. Tips on everything from aphrodisiacs to prostate massages, there's plenty there for the experimental couple to get their teeth into. Not quite sure why the glossary at the back needs to worry itself with things like safety scissors, though…

BARE NECESSITIES!

right in front of me. This was clear jelly with pink glittery bits. "She's such a fucking girlie," Andrea said. Whatever, it didn't feel girlie as she soaked my arsehole with pussy juices and slipped it inside. Using her hands she spread my arse cheeks wide as she pushed in, then as she pulled out she shoved them together, kneading them around her rubber prick.

I was sucking frenziedly on Andrea's dildo, which just got me even hotter – my hands were fondling the fake balls, then, as my clit began to throb, I reached behind them to give Andrea's exposed bud a flick. It only took one touch to set her off – one second later she was bucking on the bed, fucking my face, coming until she was totally spent.

With Andrea seen to, Chrissie started fucking me with a real vengeance, stirring the dildo around in my arse as she reached underneath me to give me a frigging. I knew I was finished – I felt myself blush all over as the orgasm broke in waves out from my crotch and shot through my entire body.

The three of us spent all night sucking and fucking each other, and in the morning Andrea wanked herself off with a dildo in each hole as she watched me and Chrissie in the shower. I didn't hold out too much hope of seeing them again – threesomes are usually a one-night thing. But Andrea rang me last week and we're going to get together again soon. I'll write in again if it's as good as I think it will be!

Penny, Chester.

"I hadn't sucked a fanny in ages, but it wasn't long before I got right back into it…"

Dear Michelle,

In response to Martin's letter last month about girls sporting pubes, I'm of completely the opposite opinion. As far as I'm concerned there's nothing better than a smoothly shaven spadger – the look, the feel, the taste are all far superior to having to fight your way through a thicket of fluff. Luckily for me my girlfriend Allie feels exactly the same way, and keeps her fanny perfectly smooth at all times. It's in her interest, really, because she can guarantee that I'll happily spend ages eating her out before we fuck, so everyone's a winner.

If anyone needs persuading, just take a look at the picture of Kat you ran on page 27 on 77.04 – if that isn't the most inviting sight in the world, then I don't know what is!

Kenny, Dundee.

Michelle says: Well having licked a good few fannies in my time, personally I think you've got a point there – but each to their own, I guess!

A horny babe? Check! A fast car? Check! A rather desolate looking road bridge in the middle of nowhere? Double check! That's it, we've got everything we need for another shoot, although frankly with a girl as stunning as Natalia Forrest to shoot, we're not entirely convinced we needed to bother about the car and the desolate bridge. Still, it's a day out of the office, and there's certainly something to be said for hooning round in a sporty little number with a beautiful temptress at your side – especially when you know that when you get to your destination you're going to be watching her playing with her fanny! Quite honestly, how we didn't crash I'll never know!

Come on – what are you waiting for?!

Three certainly isn't a crowd as far as Lisa's concerned…

I am a student and live in a shared flat with two of my best mates, Cassie and Rose. We are closer than most roomies and often spend long periods together just hanging out or studying. Last week we took our friendship a step further when we finally revealed our true feelings for one another and embarked out on a three way lesbian relationship.

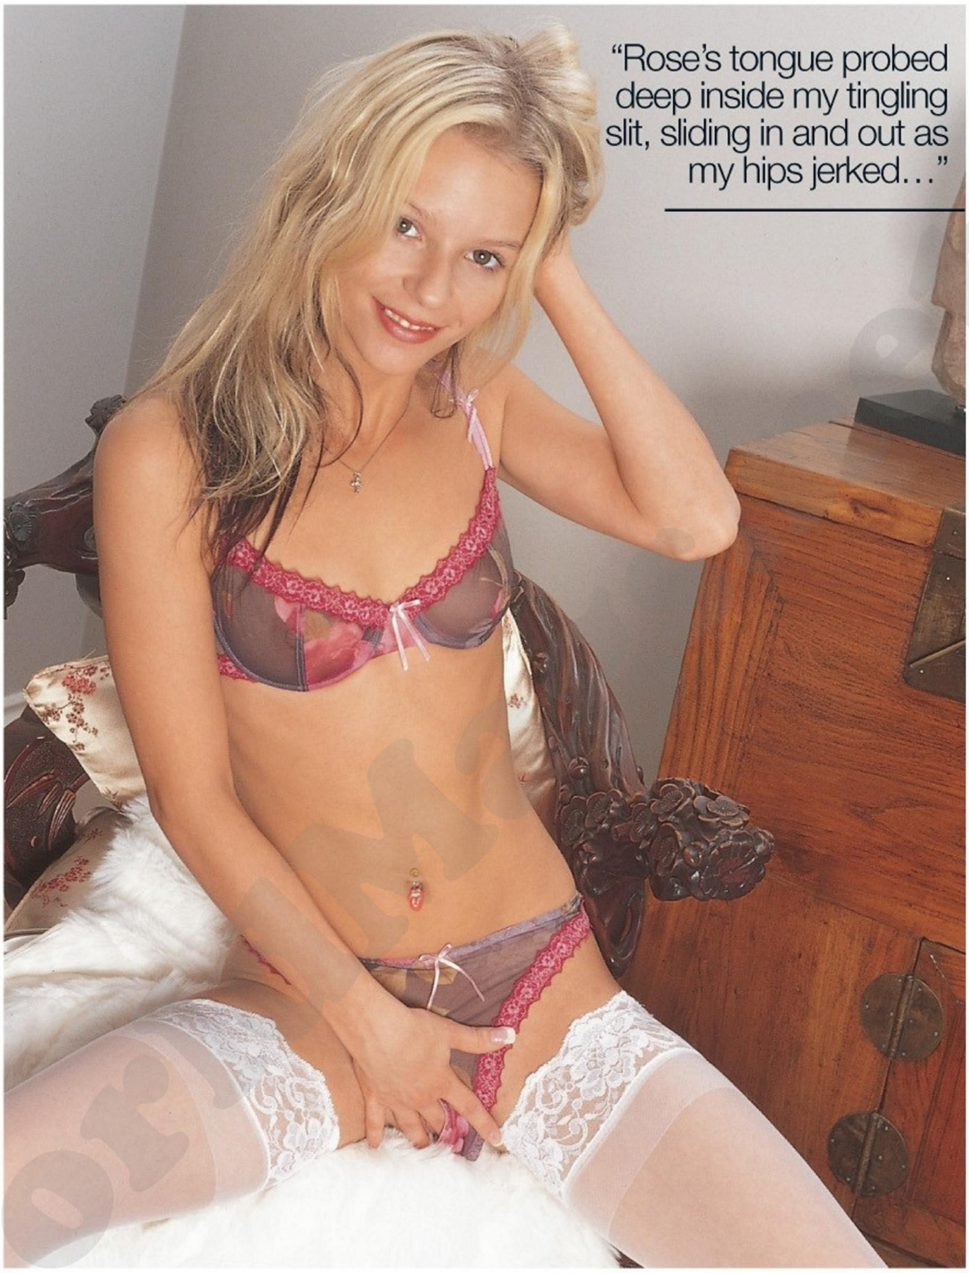
While Cassie and I have boyfriends, we are also bisexual, whereas Rose has never made any secret of the fact that she is a lesbian. Cassie and I were a little shy of Rose at first, but as we got to know her we began to realise that there was a lot more fun to be got from girlie sex. In fact after only a little experimentation we all found that we could not only make each other come more easily but that we could prolong each other's orgasms because we knew exactly which spots to concentrate on.

We had been boning up for our end of term exams, when Cassie threw her book aside and sighing, remarked that she was stressed and asked if someone would give her a massage. I hesitated, realising that things were likely to take an immediate Sapphic turn with Rose around.

As I had predicted, Rose promptly stood up and offered her services, saying with a laugh, that she was also feeling pressured and could do with a massage to help her relax. With the other two relaxed about it I began to wonder why I was making such a stupid fuss, and I stripped off like the others and fetched some towels while Cassie went to see if she could find some baby oil or moisturiser.

Meanwhile Rose went to fetch the half bottle of wine we had in the fridge, pouring us all a glass to help us chill before we started, and after that the party began. Toasting one another we started giggling and rolling about on the towels that we had laid over Cassie's bed – the only double in the flat. The wine relaxed us and rather than feeling awkward we were completely uninhibited.

Cassie lay on her tummy, stretching out so that we could rub the scented oil which she had found in the bathroom cupboard into her tense muscles. I started at her shoulders, rubbing my



"Rose's tongue probed deep inside my tingling slit, sliding in and out as my hips jerked…"

fingers across her soft flesh and trying to release the knots. Meanwhile Rose began on her lower back working her way with alacrity towards Cassie's voluptuous arse-cheeks. This made me change direction and work downwards towards where all the action was taking place.

We lightly massaged her buttocks for a short while before Rose gently eased them apart and suggested that I drizzle some oil along Cassie's bum-crack. I did so, delighting in the way her little anal ring quivered and twitched as the oil ran over its surface. As one we worked the oil into her ring, lubing it up until we could easily insert at least one finger. Rose shunted her digit in and out while under her instruction I began to rub Cassie's labia, pinching and pulling the delicate petals until Cassie began moaning and whimpering.

In wonder I watched as Rose slowly frigged Cassie's bum-hole. It was such an erotic sight that my nipples hardened and I began to feel my pussy juice seeping between my now extremely sensitive labia. Slowly and gently I inserted one, and then two of my fingers between Cassie's labia, moving them back and forth, in and out in time with Rose's fingers. Cassie was sobbing and gasping as her pleasure grew and when Rose suggested I rub Cassie's clit with my thumb, Cassie came hard on my fingers, her internal muscles tensing as they gripped tightly around my invading digits.

I could feel Rose's fingers through the thin membrane which separates Cassie's two love-holes, and for that moment I felt intensely emotional and close to both of them. Cassie came long and loud, her cries of ecstasy filling the room as her pussy and arsehole contracted and convulsed on our diddling fingers.

Once she had come down from the tremendous high we all snuggled together. kissing and caressing one another, our fingers trailing and teasing one another's sensitive areas. We oiled and massaged each other, arousing each other to dizzying heights as our bodies writhed and shimmied against and over one another. My skin tingled as the girls fingers worked on my nipples and pussy. I found myself thrown back on the bed in abandon, my legs spread wide while Rose ate my pussy and Cassie suckled on one nipple while her fingers tweaked and pulled gently at the other.

Rose's tongue probed deep inside my tingling slit, sliding in and out as my hips jerked up to meet it. Cassie and I sucked on one another's teats, squeezing and kneading each others breast flesh at the same time. Then Rose's tongue withdrew from between my swollen and extremely sensitive labia and began batting against my throbbing clitoris. My back arched, as my orgasm grew in intensity and my whole pussy began to convulse, sprinkling my juices onto Rose's waiting tongue.

Still gasping from my exertion, I turned to Rose and kissing her on the lips mounted her like a man. Our tits squashed together as I began to ride her, our pussy mounds rubbing against one another. As we did this Cassie moved behind me and began tonguing my ring. Rose and I ground our pubic mounds harder and harder as Cassie probed and prodded my throbbing anus, and as we came together she pushed her face further between both our legs and began lapping up all our pussy nectar.

Sated, we all snuggled together, three very close friends. These days our boyfriends are a little confused by how diligent we have become in our studies, because we hardly go out at all except on weekends… and even then we're content to return home early.

Sussex babe Nina went down a storm when she appeared in out sister title *Mayfair* a few months back, so we thought it only right and proper that *Men Only* readers got to sample her ample charms as well! But what to do to make the set an extra exciting treat for you all? Apart from flying her out to one of our exotic overseas locations, we were racking our brains a bit until the girl herself gave us an idea…

"I'm so horny it feels like my pussy's boiling hot!" she'd confessed (somewhat cheekily, we thought) before the shoot started, and then we had it! Employ an assistant to stand on a chair and slowly pour a watering can full of cool water over her already dripping snatch! Well, it might not look great on your CV, but he certainly wasn't complaining about that as he carefully aimed at her shaven smoo throughout the shoot – and neither was Nina, the dirty mare!

We know how much some of you like a proper furry fanny from time to time, so when Kimberly got in touch asking if we wanted to shoot her, and included a couple of shots of her retro-styled spadger we were on the phone before you could say “Don’t touch that razor!” Thankfully she was still unshorn, and we booked the shoot without delay (these models are a fickle bunch, and sometimes they shave the whole lot off at the drop of a hat!).

As you can see, she did us proud in the muff stakes, and we could even hear her pubes crackle as she ran her fingers through them. Hmm, one of the most underrated sounds in the world, that!

Interview
Nika Noir

It's not easy to remember the names of all the porn stars out there, but you should definitely remember the name of Nika Noir. You can see right away that behind the angelic face and the innocent looks hide one kinky, cock-hungry young lady.

With her Ukrainian accent and fashion model legginess Nika reminds you of one of those spies in the James Bond flicks. But we like watching her even more for her insatiable thirst for semen and her athletic engagements with an army of porn studs she leaves gasping for breath. Like most non-American porn stars, Nika happily does anal scenes and DPs like she's done them all her life. What's not to like?

What was your life like back in the Ukraine?
I was in business management school, and I also studied to become a Russian-English interpreter.

That sounds like a very different life style, and a long way from Porn Valley, USA.
Yeah, but to pay for school, I was doing nude solo shoots and the photographers would often ask me if I wanted to take it to the next level, do something more interesting and start making more money. I went on a long vacation all over the USA and thought about it for about a month before I decided to do porn. I simply stayed in Los Angeles and started working. It's actually the best decision I have ever made!

And why is that?
I'm just a normal, everyday girl who is lucky enough to do this for a living. In the Ukraine, there really are no opportunities to create a nice life for yourself. Here in California anyone can succeed, as long as you just work hard towards your goal.

What is the best part of being a porn actress?
For me, it's meeting guys I would never otherwise meet. The types I never saw in the Ukrainian nightclubs. It's great because when I first arrived in the USA, I had never even seen a black guy and I got to explore that "black cock fantasy" all the time on set. I loved it so much for a while even my personal dildos were black! My current obsession is older guys and all I have to

Text: Lobo Press **Photos:** Digital Playground, Wicked Pictures, Hustler video.

“I love a big… no huge cock pounding my brains out, and I love it when a guy comes in my pussy or ass!”

do is tell my agent and he books me for those types of scenes. It's terrific.

Can you climax during your scenes?
Yes, if we start with some pussy licking so I'm good and ready when it's time for penetration. It only fails if I don't get a little bit of pussy foreplay.

What makes you come the hardest?
I love a big... no, huge cock pounding my brains out and I love it when guys come in my pussy or ass. When I'm by myself I love vibrators pressed really hard on my clit. I do that every night so I can come before I go to sleep.

Is there anything you won't do in front of the camera?
No, I'm open to most anything. I certainly do DPs, which a lot of girls seem to frown on. I had started experiment with anal play long before I went into the porn business. It's something I really get a lot of pleasure from, so why not do it on screen?

So when you first got to do several guys on camera..?
Oh my God, it was so exciting; I had never done that before. But the actors here are such old pros, they know what they are doing. Now I do threesomes and foursomes and whatever they offer me. More guys, more fun!

One a day off, what do you do?
Sleep in! I usually never get to do that. And then I like to do something athletic in the afternoon, maybe go to the gym. I love skiing and kick-boxing too. I have been working out all my life, after all.

Where would be a good place to meet you?
The easiest way to find me would be by going to any large porn convention or XXX award show. I'm usually there.

What can a guy expect from you on a date?
I used to think I was so normal, but I guess, compared to American girls, I'm much more open-minded. I like to fuck first and talk later. It's better to get the sexual frustration out of the way in the beginning of the evening. Of course, sometimes some silly Americans want me to talk Russian to them while we fuck. It turns them on...

Do you swallow?
Yes! Of course. But if I have a choice I prefer to start with cock-sucking and end it with fucking and a cream pie. A blow-job is for warm-up, it's not the grand finale.

What sort of response have you had to your new tits?
I have a lot of new fans now. My boobs look very natural for being so big. And I feel more womanly when guys suck, bite and fondle them; which is something that turns me on like crazy.

When you get to go back to your homeland, do you get treated like a star?
No, people don't know who I am when I'm out shopping or going to a movie. I have no make-up on and I'm wearing jeans and tennis shoes with my hair up. So, I look totally different from when I'm on a porn set.

Have you become more sexual since you do it for a living?
I was more spontaneous before porn. I would go into nightclubs and pick up strangers, several times a week. I wanted to fuck every man I saw. Now I get to fuck everyday on set, so I'm not that desperate any more. But I think sex is healthy, if that's what you want to do, then you should do it. And I made it a career. You just have to do what you love and love what you do no matter what, and you will succeed.

How does it feel to meet your fans knowing they get off watching your scenes?
When the fans meet me in person they are usually pretty shy. They look at me and you know a million things are going through their minds, mostly perverted things. But that's OK. I'm probably thinking the same perverted thoughts myself!

Roxanne

Photos: Mike Allen

Roxanne's had a busy old time of it since we last hoked up with her a few months ago. Apart from anything else, she got engaged and then got unengaged again! So what happened there, then…?

"Oh, it was so silly!" she blushed. "I met this guy and, well, we were head over heels in love with each other. At least that's what I thought, but after a while I started to suspect that he was more interested in me just for one thing – and I'm sure you can guess what that was!"

Oh for shame! Whatever next? So you dumped him, did you?

"Of course I did! He kept saying he loved me and stuff, but when we were alone all he wanted to do was play with my boobs and have sex!"

Unbelievable. Who'd have thought there could be guys out there as shallow as that? Still, it's his loss, really, 'cos he's not the one who gets to play with Roxanne's boobs any more!

Web Rat

A collection of all the weird and wonderful stuff we've found on the web this month. And if you've stumbled upon a great site you'd like us to feature, drop us a line at menonly@paulraymond.com!

WHAT STOPPED US FROM WORKING THIS MONTH...

Putting Weird Things In Coffee
http://puttingweirdthingsincoffee.com

Ever considered knocking back an "Eggspresso" – complete with the whole egg, shell included? Pouring a curried coffee down your neck… or better yet, employing smoked salmon cream cheese spread as a creamer? Heavens no. But the maniac foodie with no taste buds who runs this site has.

Check out the disgusting mess you can savour if you mix a fistful of tinned haggis into your Nescafe. There's a photo of it. You could probably use the same picture to illustrate the muck as it exits your (potentially lifeless) body after attempted digestion.

Asexualitic
http://asexualitic.com

This scary and entirely serious site is a place where people with no sex drive whatsoever can meet and form meaningful, platonic relationships.

That's right. Dating for the entirely frigid. Meet people with whom you will never get your hole and who consider, like you, that people who use their genitalia for anything more saucy than urination are absolutely barmy. On the plus side, such people are not very likely to reproduce, so the webmaster is definitely tapping into a market which will shrink in the long term.

Please Rob Me
http://pleaserobme.com

While, on the surface, it appears to offer a service to potential robbers by letting them know about individuals who are travelling and not currently at home, Please Rob Me is, in reality, a creative aggregate of public Twitter posts where people blatantly provide a "check-in" – thus letting the whole world know precisely where they are, and in the process signalling that they aren't home.

Consequently that masked bloke your neighbour and fellow Twit can see rummaging around in your livingroom can't be you.

PLEASE ROB ME

Life Gem: Diamonds Created From The Carbon Of Your Loved One
http://www.lifegem.com/

At LifeGem, you can have carbon extracted from the cremated remains (or a lock of hair you pulled out of their skull in the funeral parlour) of your loved one – your wife say – who recently passed away.

LifeGem take this carbon, and, after heating it, they place it in a "diamond press". And presto: under extreme pressure and temperature, they create a diamond out of that carbon. A diamond your new girlfriend can wear in a ring, on a pendant, or in her sweet little navel. Phwoar, sexy.

(LifeGem isn't the only site of its kind by the way – check out DNA2Diamonds at dna2diamonds.com, with which firm LifeGem is seemingly engaged in an ugly not-under-the-turf war. DNA2Diamonds also claim to give you more dead honey for your money, and there's word of undercutting on prices.)

In addition to "Cremation Jewelry" they also offer "Grief Support". And testimonials. Just listen to this loony who had her mother's remains turned into an adornment for a Prince Albert for her husband or something: "I can't thank your company enough for the amazing job that you did with creating my Mom's blue diamond and placing [mounting] it... Your company is totally amazing and I was showing people all day, I even had people ask me for your companies [sic] information."

Of course, those people might have been the police, but the tearful thankyou ends there.

Doesn't this just say it all in their own words: "Click here to check out our awesome vintage LifeGem T-Shirts commemorating our 10th year in business!"

because love lives on...

Meet an Inmate
http://www.meet-an-inmate.com

If you are a nutter who fantasises about having a loving relationship with someone serving 20 years to life in a US penitentiary or SuperMax, this website is the ultimate honey-trap.

No really. The site offers you the chance to develop pen-pal relationships with inmates. I think the other term I saw someone use online was felons. They can be with male or female felons and there doesn't have to be wedding bells in the far, far future when most of these cons get paroled.

The site encourages every and any old thing, so you can enjoy heterosexual relationships, platonic ones, or just a bit of online "plain old jailhouse queer" with self-styled (I kid you not) "fun characters" who have cut the throats of teenage shop assistants, and carved people up in drug wars. Heck, the crims themselves will tell you all about it. Perhaps that's why so many claim to be fascinating conversationalists in their profiles.

The only old lag I saw as I browsed the site whom I would not wish to be chums with was a bloke aged 55 who will not be out until 2032. His former occupation may supply a clue as to what got him banged up: he use to give private piano lessons.

Says the webmaster: "He/She will get excited when their name is called to receive a letter from you. Just think how lonely it must feel at mail call to never hear your name being called, especially after being locked up for years and family and friends have deserted you."

More intriguing still: "Even though these men and women are in prison, it doesn't mean that they are bad individuals. The majority are fun, loving, clever, reliable, sexy and very passionate."

So why not Meet An Inmate? Before that Inmate gets out… and Meets You.

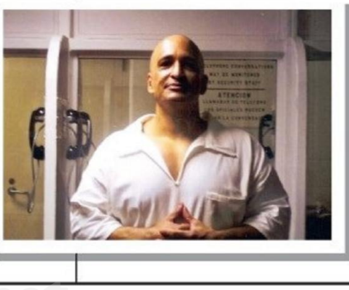
Lonely Inmates in the USA Seek Penpals



Alex

Photos: **DDF**

We couldn't help noticing during this shoot that Alex was particularly flexible, and after a while curiosity got the better of us and we asked how she managed to get into such fantastic positions. It turns out it's all to do with the gymnastics and ballet she used to study when she was younger.

"When I was little I dreamt of being either a gymnast or a ballerina! I used to practice for hours and hours, and was actually doing pretty well, but then when I got to the age of about 14 I started there were things I was more interested in, like boys! After that I never really practiced so hard, but I guess the hard work has paid off in other ways. Certainly none of my boyfriends have ever complained about my suppleness!"

We bet they haven't. And while it might have been nice to see Alex bouncing around on a floor mat or a stage, seeing her taking her clothes off in *Men Only* is far nicer!

HOLLY GOES NIGHTLY

I've been with Holly for six months now, and I still can't believe my luck. I'm 42 and she's 19 – and she is totally stunning. We met when I was staying at a hotel for a conference; she was working there and we just ended up getting together. My mates think I'm going through some sort of midlife crisis, but so what if I am? Look what I'm getting to screw! She's the smartest, sexiest woman I've been with in my life – and the filthiest. I'm still gobsmacked at what a dirty little cow she can be sometimes and there's not a day goes by that I don't thank my lucky stars that she's with me.

We are both aware that my one problem is keeping up with her mammoth sex drive, which is the one downside of being so much older, I guess. One afternoon while she was giving me head, Holly suggested that we get another bloke involved. I was a bit wary of sharing her, until she said she didn't want it to be a local guy, anyone we knew or a regular thing. She suggested that we go abroad for the weekend, she'd pull some stud, and put on a live sex show for me. Then we'd show him the door and shag the arse off each other. I was up for that, and at least it meant she wasn't just going to dump me outright for a younger bloke!

I did have one condition, however – we'd pretend to be a photographer and model, so I could direct all the fuck-action. Of course she was well up for that. We booked our tickets that night and headed for Amsterdam the following weekend.

> "His cock was quivering above her face, dripping pre-come down his shaft."

Once we'd booked into the hotel and freshened up, we wasted no time in heading to a suitably touristy bar. There I watched as she chatted up this tall, blond, muscular guy. I'd been helpless the night she'd got off with me as she wrapped me around her finger, and it seemed that she was having the same effect on him. It didn't take long for Holly to beckon me over, introduce me as her photographer and saucily proposition this handsome stranger.

His name was Kai, he was Dutch, and he didn't hesitate. Well, who would? As soon as we got back to the hotel, I opened a bottle of fizz, while Holly made our gust feel

more comfortable. I started snapping from the off, so they'd both get used to the camera as soon as possible. I decided to let them do their own stuff – all I said was that I wanted it raw and dirty – but threw in a bit of direction when I wanted to. I had to remind Kai who was in charge, after all!

After they had snogged for a while (and he'd had a good old grope), I asked Holly to do a strip for the camera. She did exactly that, playing with her tits and pussy as she got naked, stealing little winks and glances at the camera and getting Kai all steamed up. By the time I told her to peel off his jeans, his cock was as erect as a flagpole.

Before I could give any more instruction, Holly sank down on her knees, licking her lips, before tonguing and sucking his balls. She didn't use her hands, she just mouthed and gently pulled on his sack with her lips, so his cock was quivering above her face, dripping pre-come down his shaft.

> "She rode him really hard, her arse pistoning up and down on his prick."

I knew she wouldn't be able to resist that for very long, so I zoomed in close as she ran her tongue up the underside of it, flicking the tendon under his helmet, then just engulfing his whole bulb in her hot little mouth.

He let out a massive groan, and I saw him clench his arse like he was panicking that he'd shoot his load right then, but to give him his dues, he held it together well.

That blow-job was just a tease for starters, anyway. Holly gave him a playful shove, so he fell backwards on the bed, legs dangling off it. She climbed on top of him, giving me the best angle of her beautiful pussy and crack as she wanked his cock against her clit. Then she sank down on him; inch by inch, her wet pink pussy stretching open to take his thick girth. He was straining hard, veins popping up on his tool, but she carried on tormenting him, pulling herself completely off him, so his helmet slipped out.

"Just fuck the poor bloke!" I told her, and obligingly she took him in her fanny, all the way down to his balls. She rode him really hard, her arse pistoning up and down on his prick. He was giving as good as he got, hammering up into her and grabbing handfuls of her ample tits to suck on.

This was so horny and I was capturing it all on camera! Confident now, I told him to flip her on her back and really stick it to her. Kai's English was pretty fluent, and he sure as fuck understood that! He rolled her over, shoved her legs up and back and started banging his cock up her again.

I got some real hardcore shots of his balls bunching up against her arse as he thrust in deep, and the bubbling juices he forced out of her shaved snatch. But I wanted her to finish him off with her mouth. I told him this, and he pulled out, trailing his cream-coated prick up her body. As he knelt over her head, Holly grabbed it and rubbed it all over her face, then took it in her mouth, wanking away at his shaft. She shut her eyes, savouring the taste of his salty meat. I saw his cock jump in her mouth, then he omitted a groan and panted that he was coming. But Holly just carried on sucking, taking most of his load in her mouth, before finally letting him spurt the last few jets over her chin and tits. She was so sexy, dribbling out what she'd taken in her mouth, so I could get the best cum-shot I could.

I thought she'd at least let Kai hang about for a ciggie or a drink afterwards, but she had the poor bloke dressed and out the door pretty much straight away! I wasn't complaining, though. My prick was aching in my pants – I'd resisted the urge to wank but now my balls felt like they were going to burst! Holly sucked her finger provocatively and beckoned me over to her, laying back and spreading her legs, holding her puffed-up and soaking wet pussy open for me.

> "I got some really hardcore shots of his balls bunching up against her arse…"

Who knows how I lasted long enough to bring her off, but after that I only had a couple more pushes in me before I climaxed myself. Still, I told Holly to stay right where she was, and snapped away as I smeared spunk and pussy juices on her tight pink arsehole. Then, once I was hard again, I photographed my cock sliding up inside, slow and easy...

We've planed another dirty weekend away for next month, and Holly's promised to get a girl involved as well this time. Best midlife crisis ever!

Rory, Sedgley.

KNOCKING ON KEVIN'S DOOR

I was asked to go on a secondment at work. As usual with these things, there was no more pay but a lot more work. 'It'll look good on your CV' is what they'd said. But the reason that I took it was because I would be working for a guy called Kevin – otherwise known as 'Big Kev'. I had been expecting Kev to be on the portly side before I met him but he turned out to be a rather handsome chunk of muscle. I enquired as to why he was known as 'Big' Kev and his assistant, Kelly, giggled. "He's big… you know – down there." I felt myself blushing, having never discussed penis size with a work colleague before. I wanted to ask how she knew, about actual dimensions but couldn't summon the courage and changed the subject.

Armed with that vital piece of information about my new boss, I found myself fantasising about making love to him. It was hard to concentrate when he was around me. I kept looking at the lump in his trousers and thought about easing his zipper down and taking a peek inside. In fact, it would be accurate to say that I was soon obsessed with the contents of those trousers. But the interest seemed to be entirely one-directional. Even when I wore my tartiest blouses and leant over to look at something on his desk, Kev never took even the sneakiest peak at my cleavage. It was disappointing and frustrating: no guy had ever ignored my wares before. However, there was a reason why he didn't dare look, as I found out when I came back from the gym to pick-up my things one night.

The office light was on, which wasn't unusual – Kevin often worked late. What was unusual were the noises emanating from the room: someone was having sex. The connecting door was open and I tried to sneak past to get to my stuff. Unfortunately, Kelly gasped as she spotted me tip-toeing past. I couldn't help but turn towards the sound. She was sitting in Kev's chair behind his desk and she appeared to be wearing only a look of surprise. I'd seen her sitting at that desk hundreds of time before. But never quite like that; her make-up and hair were exactly as she wore them every day for work. Which made the fact that her breasts were completely bare all the more surprising. She froze but I could hear sucking and squelching noises coming from under the desk. Kelly hissed something and my mouth fell open as Kev popped up like a meerkat from between Kelly and the desk and swivelled round to look at me.

I was getting ready to run but Kev stood-up before I had time to turn away. My boss' cock came into view and I couldn't help but stare at it. He was generously endowed – for a porn star. His cock was literally twice the size of my boyfriend's. Not only

> "Kev strolled over with his magnificent cock waving from side to side."

was I not running away but there was an unmistakable surge of excitement which led to a moistening between my legs. I'd gone from being horrified to turned-on in seconds. Kev strolled over with his magnificent cock waving from side to side. I was mesmerised, not resisting as he put his hand around my waist and pulled me forward – forcing my unresponsive legs to take a couple of jolting steps before shutting the door behind me. Then he kissed me. My mouth and nose were filled with a strange, yet familiar musky scent. As Kev worked my lips, I realised that I was tasting my work colleague's pussy juice.

“Can you taste her?” Kev asked knowingly, nodding towards Kelly. I nodded. Perhaps realising what was coming next, Kelly rotated the chair and stretched her legs apart. “Why don't you go and get a proper taste?” I stumbled round the desk, wondering what the hell I was doing. ‘I'm not a lesbian,’ I kept thinking to myself… but I did like the tangy aftertaste that was filling my mouth. Would it so bad to put my mouth down between Kelly's legs? Kelly for her part was watching me very carefully, perhaps even more surprised by this turn of events than me. As I knelt between her knees, Kelly tried to use her fingers to spread herself open, however her pussy was so juicy that her slippery labia refused to be held in place and kept escaping her grip. It didn't matter as my mouth pressed against her pussy and I started to lap at her hot, wet flesh.

> “My mouth pressed against her pussy and I started to lap at her hot, wet flesh.”

I couldn't believe what I was doing as I worked my tongue around the soft interior of Kelly's private parts. I'm well-versed in the art of cock-sucking but the skills weren't transferable – what was I supposed to do when giving oral sex to a woman? Only then did I realise the significance of what I was doing, the boundary I had just crossed. I suddenly felt dirty… and excited. Without thinking about it, I pushed my hand down my running shorts and fingered my own pussy. I still had no idea what I was doing with my mouth but I did it with enthusiasm. That seemed to be enough: every movement of tongue and lips met with delighted gasps of pleasure.

Eventually, I found Kelly's clitoris. I could feel it as a smooth, soft pearl, peeking out from under a harder nub of flesh which resisted my tongue. Knowing how amazing it feels when a mouth concentrates on this most sensitive of flesh, I kept my tongue gently teasing, flicking at it again and again. I could hear that Kelly was approaching orgasm and couldn't help smiling even as I sucked her juices into my mouth. Kelly's breathing became increasingly broken, coming in gulps and gasps. Her hips angled down towards me and then she let-out a high-pitched cry of intense sexual relief. Her body spasmed against my face and I was filled with elation at having made her orgasm.

Kelly moved forward, straddling my back as I knelt on my elbows and knees. I felt her thumbs inside the elasticated band of my shorts. Moments later, they ran all the way down my thighs to the floor. I couldn't tell whether my knickers had gone with the shorts. Then Kelly ran her hands over my naked and very exposed buttocks and into the sensitive groove between. “She's got a great bum, hasn't she Kev? You can tell she does a lot of running.” There was a grunt but Kev was too busy taking aim with his cock to engage in conversation. I felt the tip press against my pussy: hot and blunt. About to be penetrated by the biggest cock I'd ever seen, I started to lose my grip on reality. It felt like it was happening to someone else as Kelly's hands pulled on my skin. She was helping our boss get his enormous cock inside me – taking her role as his personal assistant to very extreme levels. My pussy stretched and then accommodated. I let out an extended grunt as this mammoth cock suddenly slid into me.

It felt like I was being fucked by a rolling pin as Kev ploughed into me. At first, I was shocked that my little pussy could take such abuse but as he drove in harder and deeper, I found that I loved it. Perhaps this could be the start of a sexy new adventure. It was about time that I went a little crazy and had a bit of fun. And here it was being offered to me on a plate: if they were willing to let me in on their office shenanigans, I was more than happy to join in. Kelly reached underneath me and as our boss fucked me, she played with my clitoris. Even given my level of arousal, it was surprising just how powerful the sensations were as I was simultaneously fucked and fingered. I began to come, not in a big bang but in a whole series of fabulous little explosions. Was this a multiple orgasm? My over-stimulated pussy was twitching and contracting in a seemingly endless wave of ecstasy.

My pussy began to throb and I needed to finish myself off. What I did next surprised me. Without thinking, I wet my finger in my mouth, slid it along my back and pushed it down into my arse. It's the best way for me to get off when I masturbate. However, I've never done it in front of anyone else before. Only after the enormous eruption of my final orgasm had finally faded did I realise what I'd done in front of my boss and his PA. Kelly pulled me into a crouch and kissed me. Out of the corner of my eye, I saw Kev wanking his cock and as he groaned we were both showered with fountains of juice.

> “I let out an extended grunt as this mammoth cock suddenly slid into me.”

“You're more than welcome to join us for a session any time,” Kev joked as we left. I've taken them up on the offer a few times now – it makes a change from going to the gym and I still go home feeling as though I've had a great work-out.

Dianne, Lincoln.

DVD Reviews

Cinema fans can broaden their horizons this month with a whopping 15 hour documentary, or just watch a load of bloody killings. Hmm, tough call…

DVD OF THE MONTH

DEMONS 1 AND 2 (& 3!)

Arrow Films

4/5

DEMONS
LAMBERTO BAVA
ARROW

Arrow films have been busy this least year or two digging out half-forgotten horror classics, dusting them off, giving them a good re-mastering them and re-releasing them on an unsuspecting public, and they've certainly pulled out all the stops on *Demons* and *Demons 2*, the brace of zombie slashers from Italian pairing Lamberto Bava and (inevitably) Dario Argento – the man responsible for a whole slew of Italian slasher classics that have been making their way onto DVD in recent times.

The first flick came out in 1985 – surely the classic age for slasher nasties – and takes the zombie format to it's cinematic conclusion by having the flesh-eaters bursting out of the screen at movie house, something akin to classic horrors like *The Tingler*. Thereafter the directors fill their boots with lots of gore and carnage that manages to be both tongue in cheek and genuinely alarming at the same time. *Demons 2*, meanwhile, foreshadows films like The Ring by having the zombies bursting out of a TV screen, while both films are accompanied by a thumping 80s rock soundtrack that brings the memories flooding back!

Arrow have done a splendid job of the packaging, with both films available separately and in a Blu-ray steelbook, and there's even a comic book called *Demons 3* to take the whole thing forward in suitably grisly fashion. Fill yer boots, zombie lovers!

Poor old Texas. It had probably thought it had just about got over the blow to its reputation from *The Texas Chainsaw Massacre* when they only went and remade it a couple of years ago. And that's before we even consider the fact that they elected Dubya as their Governor! And now the Texan tourist board has this flick to deal with – and it's based on a true story to boot…

Sam Worthington plays Mike Souder, a Texan cop who's got a series of grisly murders on his hand – the bodies all mutilated and dumped in the titular killing fields – with Jeffrey Dean Morgan plays a New York cop who's helping with the case. It's all pretty dark, frankly, with things coming to a head when a local girl goes missing the lawmen know they're up against the clock. A solid enough thriller, although no more than the sum of its parts.

TEXAS KILLING FIELDS

Entertainment Film

3/5

Film fans with long attention spans might well have clocked this series when it aired on Channel 4 (or one of its digital offshoots) a few months back, bot for those of you who missed, here comes the stonking 5 disc set! There's no denying that writer and presenter Mark Cousins knows his onions when it comes to the movies, moving effortlessly from the early years through various global movements in film before ending right up to the present day, but he's a bit of an acquired taste. Apart from anything else, his languorous delivery (he's not in danger of getting a job as a horseracing commentator, that's for sure) makes each episode feel about 20 minutes longer than it ought to be, but he analyses some real nuggets on his trawl through 100 years of filmmaking, and will definitely make you want to dig out some overlooked classics…

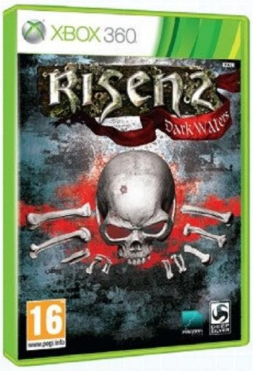
Games Reviews

If this issue's game of the month was a film, it would probably have a lame title like *Pirates Versus Monsters*. Lucky it isn't, then!

RISEN 2: DARK WATERS

Deep Silver – X360, PS3, PC.

8/10



GAME OF THE MONTH

Argh, look out – there's something hideous rising from the very depths of the ocean threatening to unleash a torrent of shite on humanity. No, I'm not talking about James Cameron in his submarine – but a load of horrible titans and things in this sequel to 2009's risen from German publishers Deep Silver.

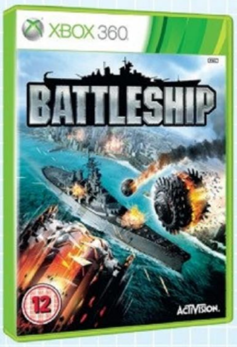
Players of the original game will recall the whole thing's a bit of a mash-up, with piratical types rampaging around in conjunction with a fantastic selection of monsters. You, just like last time, play Nameless Hero, an interestingly named chap who, assuming the developers just couldn't think up a suitably hard and dashing name, really must have had a shabby relationship with his parents. Nameless, as I like to call him, leads a band of desperate pirates and, well, battles against the numerous beasties they encounter. Oh, and of course there's the gnomes as well, who are a lot nastier than the critters you find sitting around in back gardens…

OK, so it's pretty silly and over the top, but there's a lot of loving detail, and there's no getting away from just how much fun the whole thing is!

BATTLESHIP

Activision – X360, PS3, Wii, PSP, DS.

6/10



Hey hey, look what we have here. If it isn't one of the classic lo-fi favourites from yesteryear getting the videogame makeover. Now consoles like the DS and the PS3 would be ideal for a bit of plucking-grid-references-out-of-the-air-and-hoping-to-beat-your-opponent-through-blind-luck action, but there's a bit more to this game than that. Otherwise nobody would buy it, would they? Apart from anything else, instead of trying to blow up humans, it's blinking aliens you're after! And you can't cheat by taking a peep when you're opponent's not looking, either.

XBOX 360
SNIPER ELITE
V2
15
REBELLION
505 GAMES

SNIPER ELITE V2

505 Games – PC, PS3, X360.

7/10

Shooting people, as seemingly every other high school and university student in America knows, can be lots of fun, so a full 7 years after the original Sniper Elite came out, here at last is a successor! You don't have to snipe at V2 rockets as they zoom overhead over to Blighty – that would be silly – but you do have to try and shoot the nasty folk who are working on the V2 project. Lots of sneaking about and lots of shooting. Perfect practice for that massacre you've been planning!

SLAM IT IN A SLUT 2

Harmony

CAST: Shyanne Silky, Alice Romaine, Anissa Kate, Sasha Rose, Samantha Jolie

EDITOR'S CHOICE

With raven hair, astonishing boobs and a lovely curvy arse, new Harmony protégée Anissa Kate certainly looks the part as she puts on a little tease for her two studs, one of whom's having a soak in the tub while the other lounges on a nearby bed. With her utter slatternliness she's soon got the boys up for some action, and wraps her lips around Danny D's impressive pole while Tony De Sergio explores her enticing bod. What follows is a blistering scene, with Anissa getting poked hither and thither, often at the very same time, until this reviewer for one was well and truly spent. If only all girls were built like this and had such an appetite for cock – what a world we'd live in then!

Dusky babe Shyanne, who's given the tricky task of following such a performance, isn't exactly frightened of cock either, although she only has one to deal with and, sadly, doesn't permit its owner to wedge it up her shapely rear. Still, the sound generates as it saws into her sopping snatch is most arousing, and all in all I think I can, hand on heart, say the girl done good.

Blonde Sasha Rose has no such misgivings about anal, seeming to prefer it and taking a really thorough back scuttling from George Uhl, including every personal trainers favourite sex position, the pile driver. Lots of hard work for those involved, I dare say, but mighty diverting for the rest of us!

After Sasha's had her back door kicked right off its hinges Alice Romaine keeps up the standard with another eye-watering DP scene, before a rather ad-hoc scene featuring Sasha and Samantha Jolie see us out. Horny stuff indeed! **4/5**

LEGENDARY ASSES

Adam & Eve

CAST: Alexis Texas, Bree Olson, Flower Tucci, Heidi Mayne, Jenna Haze, Katja Kassin, Kristina Rose, Sophie Dee… and more!

Legendary? Well, admittedly the selection on asses on display in this A&E compilation is staggeringly good, but only time will tell whether they'll attain legendary status. Perhaps in aeons to come people really will talk of a long-forgotten epoch involving Flower Tucci and what she was capable of doing with her bum – and I for one couldn't blame them. Because what she can do with her bum, as she demonstrates in her scene here, is wedge a rather large cock up it and look like she's really enjoying herself, even going so far to crank out some of her trademark squirts to prove the point. What a scene it is, her bemuffed pussy looking particularly enticing as it's drenched with her own juices – definitely one of the highlights of four hours of bum-tastic fun.

Other highlights? well, my eye was particularly caught by the sexual antics of admirably gluted Naomi, who from what I can recall has always been rather partial to a spot of bummery in her flicks – and she certainly manages to convey her enthusiasm for the genre in her scene with a rather grumpy looking Marco Banderas (Christ, if you can't crack a smile when you're nuts deep in some gorgeous porner's jacksie, when can you?!).

Lauren Phoenix also puts in a fine turn as a sexually adventurous young flamper who enjoys nothing more than having a fat knob sawing repeatedly in and out of her back passage – and even goes so far to offer up her pooper in a position I'd never seen before – some sort of reverse anal piledriver that involves a sofa as well. Hats (and, more importantly, trousers) off to her and her stud for that one! If a cunningly crafted plot's not your thing but lots of backdoor action is, this collection should see you right! **3/5**

GIRL ON GIRL ON GIRL

Viv Thomas

CAST: Sandy, Cindy Hope, Logan, Aleksa, Aletta Ocean, Brandy Smile, Kandi, Cathy Heaven, Cara, Gina Pears, Amanda Baby, Blue Angel, Madison Parker.

Poor old Viv – it looks like he's really got it rough, with his local carwash clearly being so costly and inefficient that he prefers to hire three of the horniest babes in the business to apply the turtle wax instead, with Sandy, Cindy Hope and Aleksa (aka Alex from page 55) doing the honours instead. Then again, they don't seem overly concerned with avoiding smearing, instead preferring to drizzle lather all over each other and finger their fannies for the camera. Sandy's a dab hand at this sort of thing, and soon has her tongue wedged up Cindy's snatch, but really all three of the girls in this opener seem to know what they're about. By the time Aleksa's arse is splayed on the bonnet and Sandy's rimming her I think I'd more or less got the measure of this opening scene – it's a blinder!

The remaining scenes are all lesbo threeways as well, which you might think gets a little bit samey after a while, but then you'd be surprised what sort of things three horny girls can get up to. There's plenty of anal sex-toying in the second scene (and nothing timid about the camerawork that captures it), with Aletta, Brandy and Logan all getting well and truly pronged in the poop chute, while the varying amount of pube on display adds a certain piquancy to the scene featuring Gina, Aleksa and Amanda. As lesbo flicks go, this is one of the best ones I've seen for some time, and a most strokeworthy addition to Viv's growing body of work. **Available from your local sex shop. 4/5**

Adult Channel Uncut

CAST: Amica Bentley, Rebecca More, Valentina Cruz, Holly Kiss, Lissa Love.

Is it just me, or are MILFs getting younger these days? Amica Bentley, who kicks things off as the HR bod whose job it is to fire Steve Coopers arse but ends up riding his knob, looks no more than about 25. Still, she has got a super furry spadger, which I guess gives the scene a bit of old school charm, and Steve does her proud, poking away for a lot longer than most of us would manage before he drops his load all over her mound. Blonde Rebecca More looks slightly more vintage as she seduces her son's mate with her mega boobs and goes on to prove that you can't beat a bit of experience. You can definitely beat off to it, mind. Three more scenes follow, in which a trio of flampers who may well have passed 30 seduce a gaggle of guys in their mid-20s. Solid enough stuff, with lots of UK talent to keep it real! **3/5 Available from your local sex shop.**

A COMPILATION OF THE BEST PORN BY WOMEN

HER PORN

Petra Joy

CAST: Christy Marks, Cassandra Calogera, Carmen Hayes, Janet Jade.

This double disc set claims, perhaps rather boastfully, to represent the best of porn produced by (and presumably for) women. Well, it's certainly pretty arty, so what's the nookie itself like? Rather dated, if the first scene is anything to go by – it was shot in the last century, apart from anything else, and it's hard to tell when it's deliberately soft focus, or whether cameras were just a bit crappy back then. Either way, it's not easy to crank one out to, that's for sure, while the next scene, which features some sort of high-tech humping with culminates in the bloke flashing a funny colour and seemingly karking it, isn't any better. And so it continues – a series of quirky vignettes that seem to feature lots of blindfolds and coy camera angles. If you want to get something for the missus you might want to try it, but otherwise… **2/5 Available from your local sex shop.**

Shay

Photos: Stephen Hicks

Well, we're getting towards the end of another cracking issue of *Men Only*, but does that mean we've got no more room to squeeze in (between) another cracking set of norks? Of course it doesn't – especially if the norks in question belong to one of the prettiest girls in the business, Shay Laren! For a girl who must be lusted over by just about every bloke she meets, she's disarmingly pleasant, too, chatting away about this and that and not playing the sexy diva one bit. In fact sometimes as you're chatting you almost forget that she's lying there, right in front of you, with her wondrous boobs on full display and a finger diddling her sweet fanny. NOT!

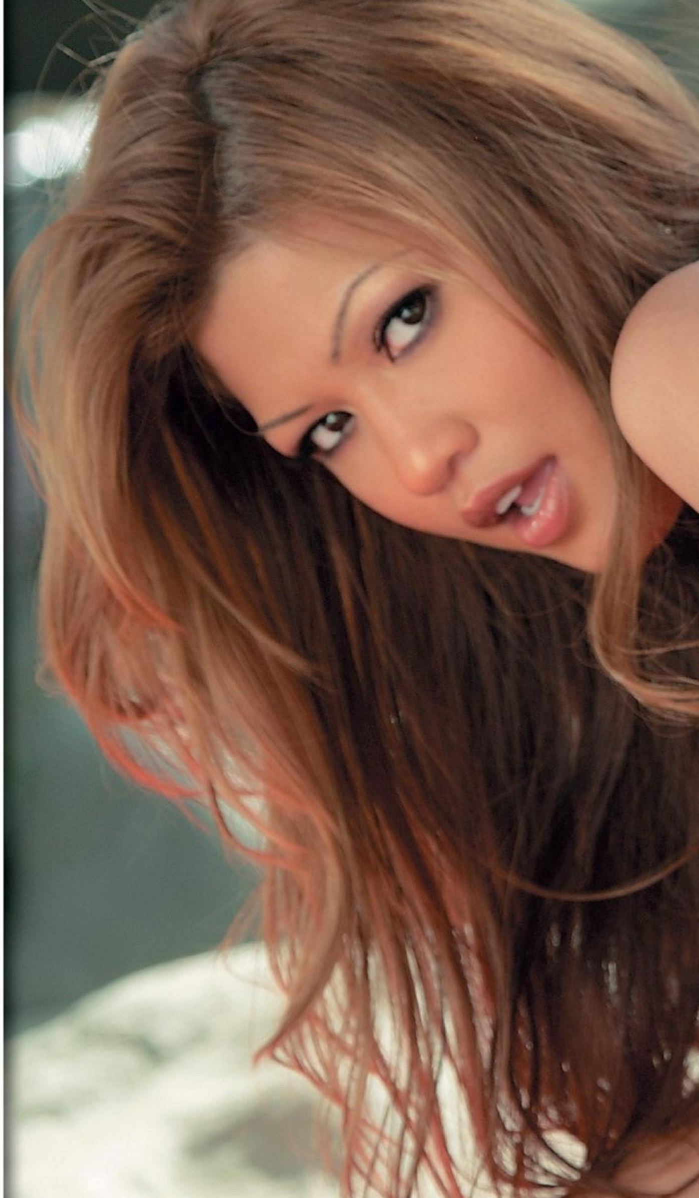
Charmane

Photos: Scott Evans



We kicked the year off with one legendary Charmaine – Charmaine Sinclair – and now we turn to another, the ever delectable Charmane Star! This Charmane a bit smaller than her near namesake, only just measuring in at five foot nothing, but she doesn't let that stop her getting as much fun our of life as she can. OK, so she's never going to get the best view at the theatre, but then she has ways around problems like that… "Yeah, I'm so small I usually just sit on my date's lap. They don't usually complain too much!" From the look of that lovely curvy bum of yours, we bet they don't!

TOMMIE
SABRINA

Ah look, we've got a brace of British babes making their *Men Only* debuts next month! Tommie Jo's appeared in our sister magazine Mayfair a couple of times, and now we're chon she's ready to unleash on you lot! With her fantatic boobs and gorgeous face we reckon she's sure to go down a storm! And Sabrina Perri, despite her rather Italianate model name, is a brand new UK hottie who's making her top shelf debut! If you want to see exactly what she's got hidden between those shapely pins of hers, you know exactly where to come to find out…
